UNLOADING AND LOADING YOUR CAMPING GEAR

- The loading zone is located at the intersection of Ocean and Schellenger Avenues, a short walk to the Boardwalk. Schellenger Avenue will be open to one-way traffic heading west-bound. Plan to arrive at the drop off location from Ocean Avenue. Please review the Event Map on the last page of this guide prior to your arrival.
- You may park your vehicle along Schellenger Avenue to unload; however, you may not leave your vehicle unattended. Plan to unload your gear, have a driver go and park your vehicle, and then meet your group at the street end or on the beach. The same rules apply to departure.
- Morey's Piers staff will be available at the unloading zone to help direct you to the camping area on the beach.

PARKING

The parking lots around town are privately owned and, as such, each will have their own prices and policies. You may park for free in the residential area west of New Jersey Avenue, about a 4-block walk from the boardwalk.

CAMPING AREA LOCATION

- You may set up your tent in the camping area located between Schellenger and Spicer Avenues starting at 3pm on Friday.
- We do not assign campsites. You are welcome to pick your campsite within the camping perimeter which will be clearly staked out on the beach.
- Do not set up campsites in the designated emergency access paths in the camping area.
- Campsites must be cleared and off the beach by noon on Sunday.

INFORMATION FOR CAMPERS

CAMPING TIPS

- ❑ Be sure to bring spikes or we recommend filling Ziploc bags with beach sand and placing them in the corners of your tent for added stability.
- ❑ Bring your battery operated flashlight or lantern and battery operated radio – absolutely no gas lanterns or flames are permitted.
- ❑ Be sure to pack your tent's rain fly and a tarp for under your tent, just in case it rains.
- ❑ Bring layers of clothing and a warm blanket or sleeping bag, nights can get chilly.
- ❑ It's a long walk from the street, so pack with this in mind. Small wagons or hand trucks are great for transporting gear to your camp site.
- ❑ You are welcome to bring coolers with snacks, but no alcoholic beverages. We do recommend bringing bottled water.
- ❑ Please leave the beach as you found it and dispose of your trash in the receptacles provided.

WHAT TO DO IF IT RAINS

- If severe weather occurs, such as a thunderstorm, the Wildwood Police Department may order the camping area closed temporarily. If this occurs, you will be asked to evacuate the beach or Pier. You may take shelter under the boardwalk or inside of your vehicle until the weather event passes and the Wildwood Police Department re-opens the camping area.
