

## Standard Contract for the Rental and Use of Mountaincarts

### Contractual Terms

- By signing, the tenant confirms having read and understood the contractual terms and agrees to comply with them.
- The renter guarantees that the accompanying minors are also informed of the rules.
- The renter conducts a driving/ braking test and indicates before departure if they have not received a perfectly maintained and suitable Mountaincart. They may exchange it for a vehicle in perfect working condition.
- The renter will be instructed on how to operate the vehicle by the the rental company staff if needed.
- Accident insurance is the responsibility of the users.
- Costs related to damages caused by inappropriate use of the vehicle will be charged on-site to the renter.
- The rental period is 2 hours or 1 hour or for a single descent.
- The Mountaincart must be returned no later than the pre-agreed time and at the starting point of the activity.

### Rules

- Access is prohibited for individuals under the influence of alcohol or for any other reason impairing their judgment.
- The minimum age to use a Mountaincart is **11 years old**.
- The minimum height required to use a Mountaincart is **1.3 meters**. It is important that the person can reach the footrests and the handlebars, including the grips and levers.
- The Mountaincart can only be used by one person. Riding with two people on one Mountaincart is prohibited.
- The maximum weight allowed to use the Mountaincart is **100 kg**.
- Driving style and speed must be adapted to the terrain, the driver's abilities and other path users.
- Traffic regulations must be respected.
- Expect to encounter **oncoming traffic** throughout the entire Mountaincart track.
- Keep to the right and you must be able to stop at any time within half the visible distance. Pedestrians have the right of way.
- Only the indicated section can be ridden with the Mountaincart. Signage must be respected.
- On the Mountaincart track, expect to encounter holes, irregularities, wet ground, etc.
- Wearing **a helmet is mandatory**. A helmet is included in the rental price.
- Exiting the cart is prohibited. Never brake with your feet!
- In case of an accident, the area where it occurs must be secured, and first aid must be provided to the injured. The rescue service can be alerted by calling 144, 112 or +41 848 22 10 12. Injured individuals should not be left alone.
- For minor injuries, company personnel have medical equipment at the lower station.
